Gourmet Express is a restaurant that has been serving this area successfully since 1987. We cater to many companies, and we have fulfilled their different needs. The different menus that we carry offer a large variety of food to choose from. We are a family run business which gives our clients a lot of advantages : flexibility and good quality food are two among many.

The following are highlight of some of our services which are certainly to your advantage :

*** quality**

Our products are all of high quality. The cold meats are top of line and cut daily on order. Our hot meals, specialties, salads and desserts are prepared daily in the premises and mostly from scratch. Our prices are more than reasonable and portions are large.

*** handling**

Your order will be nicely prepared and displayed. It will be delivered on time, at your reception, and even to your meeting room if so required. In general we do not charge for delivery .

*** payment**

You can choose between paying COD or allowing us to open an account for you, so enabling you to process payment at your convenience, also at no surcharge.

We hope you will find our menus of interest, and we look forward to be of service to you. Please let us know what you want and how we can assist you, this is the best way to serve you best. For more information and for some pictures please visit our website at www.garlicland.com .
